A. INTRODUCTION

Throughout this Amendment these entities are referred to as follows:

Village of Chignik Lake	=	Village
Alaska Native Tribal Health Consortium	=	ANTHC
Cooperative Project Agreement	=	CPA
Community Development Block Grant	=	CDBG
Indian Health Service	=	IHS
Denali Commission	=	Commission

On Sept. 27, 2004, ANTHC and the Village of Chignik Lake executed a CPA authorized by the Denali Commission to construct a new health clinic in Chignik Lake, Alaska. The scope of this project included site preparation, materials and equipment, construction, and labor.

The project was originally funded with the following:

- \$923,655 of Commission funds, via Denali Commission Financial Assistance Award Project No. 0100-DC-2003-I13, Addendum B, dated January 2004
- \$309,000 of Community Development Block Grant funds, via Denali Commission Financial Assistance Award Project No. 0100-DC-2003-I13, Addendum B, dated January 2004
- \$151,420 of Indian Health Service FY04 Tribal Equipment funds

On Dec. 21, 2005, ANTHC and the Village of Chignik Lake executed an Amendment No. 1 to the CPA to perform the following:

- add \$162,141 of Commission funding, via Denali Commission Financial Assistance Award Project No. 185-05, dated August 2005
- recognize IHS FY04 Tribal Equipment funds as part of the cost share

B. REVISION OF PROJECT BUDGET

This Amendment adds \$455,326 of Commission funding, via Denali Commission Financial Assistance Award Project No. 0146-DC-2004-I29, Amendment No. 3, dated January 2007.

The additional funds are needed for the following purposes:

- keep the project on schedule
- cover mechanical equipment purchase and installation cost overruns
- cover shipping costs
- cover costs related to stopping and starting the project during winter 2005-2006

Project funding therefore totals \$2,001,542.

A revised cost estimate table is provided below.

Job Type	Scope of Work	Qty	Units	Unit Cost	Total Cost	Funding Sources				
						Denali FY03	IHS FY04	Village CDBG	Denali FY05	Denali FY04
M-CL	Construct new clinic	1	LS	1,752,857	1,752,857	703,413	151,420	309,000	133,698	455,326
Chignik Lake Construction Award					\$1,752,857	\$703,413	\$151,420	\$309,000	\$133,698	\$455,326

Total Award					\$2,001,542	\$923,655	\$151,420	\$309,000	\$162,141	\$455,326

This document constitutes Amendment No. 2 to the CPA to construct a new health clinic in Chignik Lake, Alaska. All other sections of the original CPA and/or Amendment No. 1 remain in effect as agreed upon and executed.

MEMORANDUM

DATE: February 2007

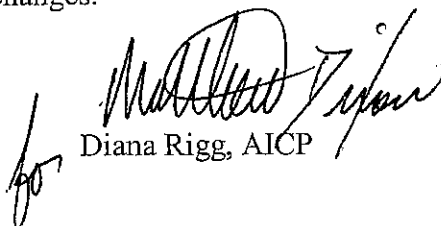

FROM: Environmental Coordinator

SUBJECT: Village of Chignik Lake – Environmental Review
Project No. AN 04-G88, Amendment No. 2

TO: FOR THE RECORD

Federal funding for this project requires an environmental review in accordance with the National Environmental Policy Act (NEPA) and the National Historic Preservation Act (NHPA). The Alaska Native Tribal Health Consortium (ANTHC) has considered all potential environmental concerns (specific and cumulative effects) associated with the project in consultation with applicable federal, state, and local authorities. An environmental review was completed in September 2004 for the health facilities construction. This Amendment provides additional funds to finish the project. It does not change the scope outlined in the original document.

ANTHC will revisit this environmental review to determine if potential environmental concerns have been addressed if the scope of work changes.
